

Muses to Sustain the Thoughtful Life

By Bob Handwerk

Bob Handwerk, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you most comfortable in the quiet of the woods, on a beach with the waves gently coming ashore, or relaxing on a park bench in an urban setting? Wherever, whenever, time and space incline you to be thoughtful, you are encouraged to walk hand in hand with these muses and reflect at a pace which enhances the celebration and sustainability of your life. Muses to Sustain the Thoughtful Life is a collection of reflections which has evolved from discussion pieces I prepared for business executives and community leaders who are drawn to exploring philosophical, mind-expanding topics such as cultural mores and religious oriented values. Feedback from blogs over a period of several years leads to multiple requests for the expansion into a format which includes the discussion of how the interrelationship of individual and societies culture and values are impacted by a diversity of views on nature, family, and religion. The book s central focus is that of providing the reader with muses designed to assist in a thoughtful self-examination of culture and values, and how...
