As you learn more, you make fewer mistakes, your workflow becomes faster, and you have more time to explore creative possibilities. This book is dedicated to showing you the tricks of the trade, to sharing the insider's knowledge which will speed up your work, and to improving your understanding of Photoshop as a tool. The book is divided into eight chapters, in the first three we look at ways of improving your efficiency, good selection techniques, and how to use layers effectively. In the next three chapters we look at practical applications of Photoshop for retouching and correction, Web graphics and special effects. The final two chapters look at the practicalities of Photoshop's configuration and hardware. Throughout the book, we cover the new features of Photoshop 7, so if you're not yet up to speed with the latest version, we'll show you the way. 250 pp. Deutsch.
