Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Maybe you saw the cover of this book on a shelf in a bookstore, and opened it, thinking it was the story of a former lady gangster with secrets to reveal -- or possibly the ruminations of a partially recovered escapee from a nut house. Well, tough luck, it s not. That book you are holding in your hand is just something I decided to write to get some old garbage off my mind. I m not going to glorify it any more than that. I just happen to be an outspoken schnook raised by a pair of other outspoken schnooks, residents of an average neighborhood of nobodies, most of whose lives were pretty boring. So why buy this book? There are two simple reasons why I wrote it: (1) Now that I m a seventy-one year old lady, I can finally tell the truth about my undiagnosed insanity because all the other principal players in my personal drama are dead. I also thought it might be a good idea to put some of my childhood anecdotes in book form, rather than have them buried in some sort of time capsule. Knowing my history, nobody I know would ever dig it up anyway. (2) The second reason is that I need your money. I want you to purchase this relatively cheap book as a charitable contribution to my personal fund, and, trust me -- it s not even tax deductible. I ll let you in on a little secret -- I had a third reason. They say senior...
