

Learned Optimism: How to Change Your Mind and Your Life

By Martin E. P. Seligman

Random House USA Inc, United States, 2006. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. Known as the father of the new science of positive psychology, Martin E.P. Seligman draws on more than twenty years of clinical research to demonstrate how optimism enhances the quality of life, and how anyone can learn to practice it. Offering many simple techniques, Dr. Seligman explains how to break an I give-up habit, develop a more constructive explanatory style for interpreting your behavior, and experience the benefits of a more positive interior dialogue. These skills can help break up depression, boost your immune system, better develop your potential, and make you happier. With generous additional advice on how to encourage optimistic behavior at school, at work and in children, Learned Optimism is both profound and practical and valuable for every phase of life.
