If you think I don't understand it, or more importantly I don't like it This book can help you. If you bought a computer in the past 2 years, you probably had no choice but to use 8. So for all those who had to use 8 but hate it, I will show you how to use it. Windows releases seem to be on a cycle of good and bad. At first look Windows 8 showed promise. But after it was released to the public its unique interface started to crack. Immediately, people started saying I don't understand it, and more importantly I don't like it. After using and working on Windows 8 for 2 years now I dislike it more and more each day. THE BOOK EXPLAINS: Doing Windows updates and the 8.1 update. Creating a username not associated with a Microsoft account. The Start screen Charms Power, Search, Wireless, and Control Panel Programs The Desktop and the 8.1 Start button IE 11...
