STRINGS ON A SHADOW PUPPET

Thomas L. Evans, United States, 2013. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. In a war between democracy and civil rights, which do you choose? *Strings on a Shadow Puppet* is the exciting debut novel from Thomas Evans that combines the thrills of military science fiction with the thoughtful intrigue of espionage and mystery. With sympathetic characters, dark conspiracies, and enough fast paced combat to keep any action junkie on the edge of their seat, *Strings on a Shadow Puppet* will keep you turning the pages until the last plot twist is revealed. The ability to control one's own future is not a privilege, it's a right! The image of the figure who spoke was carried across all the comms channels by a hacker signal. It was an extreme ectomorph, tall and ultra thin, with slanted eyes, swirling dotted tattoos, an extended cranium and high curling hair. The ability to select one's own government, it continued, is not a privilege, it's a right. Democracy is the only form of government that ensures these privileges remain rights -- inalienable human rights. Rights that cannot be controlled by the privileged few, nor shared with bug-eyes, slimies or others whose alien ways corrupt human society! I am the Dalang, Speaker of the Wayang Liberation Front, and this is not the last you will hear from me! Long live the Federalist Revolution! *Strings on a Shadow Puppet* thoughtfully questions notions of social class, democracy, and freedom, in a way that is, frankly, very timely. We all know spying is part of our world today, but what are the costs to the people living with the reality of it day in and day out. What drives them? And what...
