Carnegie-Mellon University Press, United States, 2001. Paperback. Book Condition: New. 202 x 129 mm. Language: English . Brand New Book. The sixteen stories collected here, published individually over a period of fifteen years, take the reader from the freeways of Los Angeles to the train stations of small towns in Italy, from the familiar bustle of a Boston suburb to the timeless strangeness of the Berkshire hills. Each of the characters in these stories face the demon of longing in some life-altering way. Theirs is the last devil to be cast out, the one that poses the ultimate question What if it were possible to make another choice? A Vietnam vet, brewing Lapsa Oolong in the Albuquerque motel room he calls home, reflects on the quiet pink morning when he first experienced the intuitive powers of the human mind. A middle-aged professor, trapped in her house in Newton during a blizzard, writes a letter to the Silicon Valley French teacher who became her first love after high school graduation. A shoe repairman in the depths of the Berkshires attempts to unravel the connection his second wife has made between their crumbling marriage and the frozen body of a woman that has been found by hunters in the woods. A fragile young woman disappears when she learns that her lover s wife is pregnant with their second child, and finds the strength to admit there may never be an answer to, What if?.
