REAL RESUMES FOR CONSTRUCTION JOBS

[DOWNLOAD](#)

Createspace, United States, 2012. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.Don't take it for granted that construction industry jobs are always easy to get. The best jobs in any field are always the object of intense competition! This book will show how to enter, advance in, or exit from the construction field while speaking the lingo of the construction industry. Resumes include jobs such as project manager, carpenter, foreman, safety manager, electrician, brick mason, engineering manager, real estate agent, plumber, job planner, sander, flooring installer, interior designer, independent contractor, and many other jobs. A word of advice from Editor Anne McKinney: It used to be the case that you just had to show up on a job site to get a job in construction. While that may still be true when the construction industry is booming, you will always make your best impression if you have a resume that shows your employment history and track record of accomplishments. This great book of sample resumes and cover letters showing construction industry experience will help construction industry tradesmen and professionals show off their expertise. If you want to enter the construction field or advance in the industry, you don't need just any resume book. You need an industry-specific resume book! You will love this book targeted specifically to the construction field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don't play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make. Praise for books in the Real-Resumes Series: Distinguished by its highly readable samples. - Library Journal These excellent new guides...
