It is a huge disaster and suffering brought to mankind. devouring the lives of hundreds of millions of people. to destroy the humans create their own wealth. However, with a class point of view. the point of view of development to analyze the war. all revolutionary war. a war of justice. in the preservation of human dignity. sanctions evil. to defend the peace. and to ensure their own survival. and indeed played a special progressive role can not be underestimated. Marx said: The violence each pregnant with the midwife of the new society of the old society. old society killed in the war. a new society was born in war. The attitude towards the war of all Communists to support a just war against an unjust war. Communists. the ultimate purpose of war. a just war to eliminate an unjust war. the great ideals of communism. Now. we study the high-tech war. also in order to deal with the threat of high-tech war. to defend the motherland's security. oppose hegemonism and safeguard world peace. Previous wars. from the use of cold weapons to hot weapons. To the use of nuclear weapons, and then to the use of high-tech weapons, human science and Technology...
